

# nota

professional  
MANUAL  
1 gr

**Nota** is a 1 group professional espresso coffee machine with thermosiphonic supply system, E61 “Levetta” (lever) brewing raised group, 3 litres copper boiler, switch for water loading selection (from tank of 2,2 litres with capacitive level detector or from the water system), professional sized rotary pump for the coffee extraction, automatic boiler water loading, motor pump with air cooling, pipes of copper and pipe fittings of brass, protection thermostat for heating element, separate boiler pressure and pump pressure gauges, 1 signal lamp for working machine and 1 for water lack in the tank, easy to adjust boiler pressure switch essential for different coffee types and blends, frame of satin stainless steel AISI 304.

### Nota with **Thermo PID (F°/C°)** and **Digit Chrono**

Perfect for barista and latte art training courses and coffee taste testing.

The Thermo PID with 3 programmed profiles guarantees very high performance of coffee extraction and steam:

**Extraction profile** suitable for a perfect extraction and for single origin coffee or blend testing;

**Latte/Steam profile** suitable for an excellent steam performance and Latte Art;

**Hybrid profile** suitable for an optimal balance between extraction and steaming.

BEST  
SELLER

Optional:  
joystick taps,  
nut wood sides and kit  
(knobs and filter holders)

Basic model: satin steel sides and back panel.
